Title: Recently Viewed section appearing in careers page
Type: Visual
Severity: Trivial
Frequency: Reproducible
Environment: Windows 10
Browsers: Chrome, Firefox, Edge
URL: https://www.templeandwebster.com.au/careers

Steps to reproduce:
1. Login a valid user account
2. Click on multiple items
3. Go to https://www.templeandwebster.com.au/careers
4. Scroll down
5. Visually inspect bottom of page for 'Recently Viewed' section

Expected result:
Recently Viewed section should not be visible in Careers page

Actual result:
Recently Viewed section is visible in Careers page
